Events Menu View

Button Name	Action	Icon Image	Text Button
btShowing	Goto view «Event List» Filter 1	v02_bt01.png	EN CARTELL
btComming	Goto view «Event List» Filter 2	v02_bt02.png	PROPERAMENT
btLastChance	Goto view «Event List» Filter 3	v02_bt03.png	ÚLTIMA OPORTUNITAT

Every item from the list shows the same view but filtered by different conditions. The values 1, 2, 3 are equivalent to the parameter of getEvents method on the Webservice.

1- List the events that are showing on a theater now
2- List the events that will be showing on a theater
3- List the events that are showing on a theater but which are finishing soon

BACK BUTTON goes to Main Menu View and the text that may appear is Enrere.

The title on header is Espectacles.
